## Attorney Profile

Attorney Andrea Durón is a 1997 Graduate of the **DePaul University** Liberal Arts School, and a 2002 Graduate of the **University of Denver College of Law**.

Prior to law school, Attorney Durón taught elementary school in the Denver Public School District. Her focus was in bilingual education.

During law school, Attorney Durón worked with clients in the Student Law Clinic in the areas of immigration and fair housing. She also interned with the EEOC and a private Employment Discrimination firm.

Following graduation, Attorney Durón was employed with Jorgensen, Motycka & Lewis, PC; a small firm in the Denver area, where she focused her practice on domestic law, personal injury law and employment discrimination.

She then accepted an associate position at The Law Office of Clara Romero. She continued to hone her skills in civil litigation in the areas of domestic, employment and personal injury law and criminal law.

Today, as a solo practitioner in the Bucktown office, located at the North Ashland Avenue Professional Center, Attorney Durón focuses her practice in various areas of civil litigation. Andrea's

clients have the advantage of a dedicated, fully bilingual attorney who is dedicated to each case that she works.

## Practice Areas

### REAL ESTATE

Attorney Durón has represented hundreds of **buyers** and **sellers** throughout the purchase or sale of their residential and investment property. She has also been at the forefront of Seller representation in the **short sale** process. This service is a unique combination of real estate specialist and attorney, in which Ms. Durón is the direct liaison between homeowner and lender in order to mitigate the losses due to an inability to continue payments on a mortgage.

### FAMILY LAW

Separations, custody disputes and child support matters are stressful situations. It is the goal of Attorney Durón to unburden some of this stress from her clients and allow them to focus on the things that are really important. Her goal is to reach a fair and quick resolution of her client's matters.

### IMMIGRATION

As a daughter of immigrants, Attorney Durón is vividly aware of the importance of having a great support system during the

immigration application process. She and the staff of The Durón Law Firm are available to help navigate the often long and confusing process of the immigration benefits application.
